Name and address of consignor	Name and address of consignee

IV. Attestation of wholesomeness

I, the undersigned Official Veterinarian do hereby certify that:

- a) the animals from which the meat is derived were born and raised in the territory of Republic of Finland.
- b) the meat was derived from animals originating from an area which was free from notifiable diseases according to the former List A of the OIE;
- c) the meat was derived from animals originating from an area which was not under any restrictive measures due to epizootic diseases;
- d) the animals, from which the meat was derived, were found free from contagious, infectious and parasitic diseases;
- e) the pigs, from which the meat was derived, were subjected to ante and post mortem veterinary inspection by official/authorised veterinarian and the meat was found to be sound, wholesome and fit for human consumption;
- f) the animal was slaughtered, processed, cut and stored in a plant approved by the Finnish competent authority for export purpose;
- g) the animal/meat has been slaughtered, processed, prepared and dressed hygienically under the conditions and control laid down in the relevant European Union legislation in force;
- h) the meat was packed and transported under hygienic conditions; and
- i) the meat has been subject to the testing programmes for harmful organisms, veterinary drug residues and other toxic substances administered by the Finnish competent authority. The results of the tests meet the European performance standards and have not provided any evidence as to the presence of chemical/drug residues or toxic substance which would be harmful to human health.
