Import bans

Bans on import from non-EU countries

Import requirements and restrictions apply to the import of plants from non-EU countries, in order to prevent plant diseases and pests from spreading alongside imported shipments. The import of certain plant species from non-EU countries is prohibited. This import prohibition can apply to certain countries or all non-EU countries.

The plants, plant products and other objects subject to an import ban from certain countries or areas are listed below.

Product		An import ban from following countries or areas
<i>Abies</i> (firs)	Plants, other than fruit and seeds	Non-European countries
<i>Acer macrophyllum</i> (bigleaf maple)	Isolated bark	The USA
<i>Acer saccharum</i> (sugar maple)	Isolated bark	North American countries
<i>Aesculus californica</i> (California buckeye or California horsechestnut)	Isolated bark	The USA
<i>Amelanchier</i> (juneberries, serviceberries etc.)	Plants and live pollen for pollination, not fruit and seeds	Non-EU countries, other than Switzerland and Australia
<i>Castanea</i> (chestnuts)	Plants with leaves, other than fruit and seeds	Non-European countries
	Isolated bark	Non-EU countries
<i>Chaenomeles</i> (flowering quinces)	Plants and live pollen for pollination, not fruit and seeds	Non-EU countries, other than Switzerland and Australia (import of plants intended for planting, other than dormant plants, from Australia is prohibited)
<i>Chamaecyparis</i> (false cypress)	Plants, other than fruit and seeds	Non-European countries
<i>Cedrus</i> (cedars)	Plants, other than fruit and seeds	Non-European countries
<i>Citrus</i> (citrus trees and their hybrids)	Plants, other than fruit and seeds	Non-EU countries
<i>Coffea</i> (coffee)	Plants intended for planting, other than seeds	Costa Rica and Honduras
<i>Cotoneaster</i> (cotoneasters)	Plants and live pollen for pollination, not fruit and seeds	Non-EU countries, other than Australia

Import bans

Solanaceae (nightshades)	Plants intended for planting, other than seeds	Non-EU countries, other than European and Mediterranean countries
<i>Solanum</i> (nightshades, stolon- or tuber-forming species and their hybrids)	Plants intended for planting	Non-EU countries
(nightshades and their hybrids)	Tubers, table potatoes, potatoes for processing	Non-EU countries, other than Algeria, Egypt (import of table potatoes and potatoes for processing is allowed only from pest-free areas of Egypt), Israel, Libya, Morocco, Syria, Switzerland, Tunisia, Turkey, Serbia and Bosnia and Herzegovina
<i>Solanum tuberosum</i> (potato)	Seed potato	Non-EU countries, other than Switzerland
<i>Sorbus</i> (rowans or mountain ashes)	Plants and live pollen for pollination, not fruit and seeds	Non-EU countries, other than Switzerland and Australia
<i>Taxus brevifolia</i> (Pacific yew or western yew)	Isolated bark	The USA
<i>Tsuga</i> (hemlocks)	Plants, other than fruit and seeds	Non-European countries
<i>Vitis</i> (grapevines)	Plants, other than fruit	Non-EU countries, other than Switzerland
Soil and growing medium	Soil and growing medium as such, other than that composed entirely of peat	Turkey, Belarus, Moldavia, Russia, Ukraine and non-EU countries not belonging to continental Europe, other than Egypt, Israel, Libya, Morocco and Tunisia

Definitions

Plants: Living plants and living parts of plants, including seeds for planting. Living parts of plants include fruit and berries, vegetables, tubers, corms, bulbs, rhizomes, cut flowers, branches with foliage, cut trees retaining foliage, leaves and foliage, plant tissue cultures, live pollen and budwood, cuttings and scions.

Plants intended for planting: Seeds, seedlings and other propagation material and also consumer-ready potted plants and annuals.

The Finnish Food Safety Authority Evira is the plant health authority in Finland, as referred to in the Plant Health Directive. The import of plants, insofar as it does not fall within the scope of Evira, is supervised by Finnish Customs.
