

T5 PROCEDURE

1. Importer/agent completes T5 and submits to Customs who confirm details on T5 and Customs entry match. Customs stamp the T5 and retain a copy.
2. Original T5 travels to destination with CVED
3. Destination sends T5 back to Customs with evidence that the goods were delivered to the premises of destination e.g delivery note
4. Customs match it to their retained copy.
5. Customs audit destination
